

# Pardon Our Dust

Beginning **Tuesday, September 8** our Pool Facility will be under renovation. The project will take approximately 9 months.

During this time, all Pools and the Pool Deck will be receiving required ADA accessibility modifications, aging plumbing infrastructure repairs and pool resurfacing.

All aquatic programming will be on a complete **HIATUS** starting **Tuesday, September 8**.

For a listing of other local aquatic facilities offering similar programming during our closure, please pick up a flyer at the Front Desk. Or, if you would like to receive updates regarding the renovation project, please sign up for our email distribution list. Please see our Front Desk for assistance.

We thank you for your understanding and we apologize for the inconvenience.
